

On Wednesday 18th June the FAW met with representatives from the Football Supporters Federation (FSF) Cymru.

It was agreed that block U7 in the Upper Tier (and adjacent blocks for overflow) would be the designated area for Travel Club members, Upper Tier Tournament Ticket applicants and other fans who wish to try to improve the atmosphere at Millennium Stadium.

Supporters who apply for tickets on a match-by-match basis are welcome to specify block U7 on their individual match application forms during the course of the qualifying campaign.

Priority for this area will be given to Travel Club members and Tournament Ticket holders.

During the meeting Block U7 in the East Stand was identified as the most suitable area and the FAW is happy to make it available to FSF Cymru.
